About Us

We are Naichu International SA

NAICHU INTERNATIONAL SA is the branch of a BVI (UK) Company registered in the Sharjah International Airport Free Zone (Saif Zone), since 1996. We are specialized in Design and Supply of mosaics and allied materials used in swimming pools, water features and interior décor, for major projects in the Gulf Region. Our Associate Factories are located in Japan, Australia, Thailand, Mainland China & India. We work with Project Consultants to get our products specified for their Project and supply direct to sites. We participate and exhibit our products in BIG 5, Middle East Pool & Spa exhibitions every year, which attracts our target crowd. We have a long list of successful projects completed, many under supply and a good group of satisfied customers
